Everything you need to know to be a FALK FRESH FRUIT VOLUNTEER

LUNCH SERVICE is from 11:10am to 1:10pm

ARRIVAL
You are permitted to park in the bus lane or Governor’s Drive during your volunteer time. Make sure you sign in at the main office and get a visitor’s pass to wear during your visit.

If it is your first visit as a volunteer fruit slicer, please introduce yourself to our cafeteria manager, Glenda Dixon, so she can:

show you where to put your personal belongings during your visit.

Show you where to wash your hands.

Show you where the fruit and necessary supplies can be found and the best way to use them or handle them.

FRUIT CUTTING
Please follow these guidelines to help ensure the health and safety of our children:

ALWAYS wear gloves when cutting and serving fruit.

• Remind children (and adults) to use the serving tongs to select their fruit.
• If a child is struggling with the tongs, you can offer to help put the fruit on their tray. It’s also fine to give them the time to work on this skill.
• Children are permitted to have a whole piece of fruit instead of sliced pieces.
• All children are permitted to have the sliced fruit, even students who have a packed lunch. Paper plates are available for those without a tray.
• Children have been encouraged by their teachers to take no more than three or four slices of fruit at a time. Students are always allowed to return for more fruit.

DEPARTURE
If you plan to be in the building longer, you will need to have your car out of bus lane or Governor’s circle by 2:00 PM as buses do start to arrive at this time. Please remember to sign out so that we are not searching the building for you if a car is blocking these lanes.
